

GlowMart

Gift Cards and Seasonal Promotions

Gift Card Options

GlowMart gift cards are available in denominations from \$10 to \$200 in increments of \$5. Physical gift cards can be purchased at any store location and feature seasonal designs that rotate quarterly. E-gift cards can be purchased on glowmart.com and are delivered via email within minutes, with options for scheduled delivery (choose a future date for birthdays and holidays). Gift cards never expire and have no dormancy fees, maintenance fees, or service charges. They can be redeemed in-store or online and used for any product including sale and clearance items. Check your balance at any register, on glowmart.com, or through the GlowMart app. Multiple gift cards can be applied to a single transaction.

Gift Card Policies

Gift cards cannot be returned or exchanged for cash except where required by law (California residents are entitled to a cash refund for gift card balances under \$10). Lost or stolen physical gift cards cannot be replaced without the original receipt and card number. E-gift cards can be resent from your account if the recipient did not receive the email. Gift cards cannot be used to purchase other gift cards. There is no limit to the number of gift cards that can be applied to a single transaction. Gift cards cannot be reloaded once the balance is used. For corporate orders of 25 or more gift cards, contact our Corporate Gifting team for bulk discounts of 5-15 percent and custom branding options.

Seasonal Sales Events

GlowMart hosts major sales events throughout the year on a predictable calendar. January New Year New You Sale: 15 percent off skincare. March Spring Beauty Event: 20 percent off skincare, plus gift with purchase on select brands. May Mother's Day Promotion: special gift sets and free gift wrapping. June Summer Glow Sale: buy-one-get-one 50 percent off sunscreen and body mists. July Anniversary Sale (our largest sale): 20-30 percent off sitewide for loyalty members, plus exclusive sets. August Back to School: starter kits at special prices for college-bound customers. September Fall Refresh: 15 percent off haircare. October Pink Ribbon Event: 10 percent of select product sales donated to breast cancer research. November Black Friday (day after Thanksgiving): up to 40 percent off, doorbuster deals from 6 AM. November Cyber Monday: online-exclusive deals up to 50 percent off. December Holiday Gift Sets: curated sets at 20-30 percent savings versus buying items individually.

Loyalty Points Promotions

Throughout the year, GlowMart offers bonus points events for loyalty members. Double Points Days occur on one designated day per month, announced via the app and email one week in advance. Triple Points on your birthday month stack with your tier birthday discount for maximum savings. Brand-specific bonus points promotions run regularly, offering 5x points on select brand purchases for one week at a time. Seasonal bonus events include: Spring Kickoff (5x points on all skincare in March), Summer Essentials (3x points on all sunscreen and body care in June), Holiday Multiplier (2x points on all purchases from Thanksgiving through

December 24). Points earned during bonus events are credited within 48 hours and count toward tier qualification.

Refer a Friend Program

Earn rewards by referring friends to GlowMart. When a new customer creates a GlowMart Rewards account and makes their first purchase of \$25 or more using your unique referral code, you both receive 200 bonus loyalty points (equivalent to \$10 in rewards). There is no limit to the number of friends you can refer. Referral codes can be shared via the GlowMart app, email, text message, or social media. Points are credited to both accounts within 48 hours after the referred customer's first qualifying purchase ships. The referred friend also receives 10 percent off their first purchase in addition to the bonus points. Referral codes are found in the Refer a Friend section of your account dashboard.

Student and Professional Discounts

GlowMart offers a 15 percent student discount for currently enrolled college and university students. Verify your student status through our partner SheerID to receive a unique discount code valid for 12 months and renewable annually. The discount applies to full-price items and stacks with loyalty points (but not with other percentage-off promotions). We also offer a 15 percent professional discount for licensed cosmetologists, aestheticians, makeup artists, and hair stylists. Verify your professional license through our Pro Program page. Pro members also get early access to new professional-grade tools and exclusive pro sizes of select products.

Birthday Program Details

Your birthday month is the best time to shop at GlowMart. All loyalty members receive a birthday discount (10-25 percent depending on tier) valid for the entire calendar month of their birthday. In addition: a free birthday gift (deluxe sample) is available for pickup at any store, no purchase required, starting on your actual birthday through the end of the month. Platinum members receive a curated Birthday Box valued at \$50+ shipped to their address. Birthday discounts can be combined with points redemption and most promotional offers (check specific promotion terms). To ensure you receive your birthday benefits, verify your birthday is correctly listed in your account profile at least 30 days before your birthday month.
