Shipping and Delivery Policy

Shipping Options

GlowMart offers multiple shipping options for online orders. Standard shipping takes 5-7 business days and is free for orders over \$50 (or free for Silver tier and above with no minimum). Expedited shipping takes 2-3 business days and costs \$9.99 (free for Gold and above). Express shipping provides next-business-day delivery for \$14.99 (free for Platinum members). All orders are processed within 1 business day. Orders placed before 2 PM EST on business days ship the same day. Weekend orders are processed on the next business day. During major sales events (Black Friday, Cyber Monday), processing may take an additional 1-2 business days.

Order Tracking

Once your order ships, you receive a confirmation email with a tracking number. Track your package on [glowmart.com](https://www.glowmart.com) under Order History or through the carrier website. Most standard orders ship via USPS or UPS Ground. Expedited and express orders ship via UPS or FedEx. Signature may be required for orders over \$150. The GlowMart app provides push notifications for shipping milestones: order confirmed, shipped, out for delivery, and delivered. If tracking shows no movement for 5 business days, contact customer service for investigation.

Shipping Restrictions

Aerosol products, nail polish remover, and products containing alcohol above certain concentrations are subject to shipping restrictions and cannot be shipped via air. These items automatically ship via ground transportation, which may extend delivery times. Some hazardous materials cannot be shipped to PO boxes. GlowMart currently ships to all 50 US states, Washington DC, and US territories (Puerto Rico, Guam, US Virgin Islands). International shipping is not currently available. APO/FPO addresses are supported for standard shipping only. We cannot ship to freight forwarding addresses.

Buy Online, Pick Up In-Store (BOPIS)

GlowMart offers free Buy Online, Pick Up In-Store at all locations. Place your order on [glowmart.com](https://www.glowmart.com) or the GlowMart app, select your preferred store, and your order will be ready for pickup within 2 hours during store hours. You receive an email notification when your order is ready. Pickup orders are held for 7 days before being automatically canceled and refunded. Bring a valid photo ID matching the order name. A designated person can pick up on your behalf if their name is added to the order. BOPIS orders qualify for loyalty points at the time of order placement. Curbside pickup is available at select locations.

Delivery Issues

If your package is damaged during shipping, contact customer service within 48 hours with photos of the damage. We send a replacement at no charge. If your package shows as delivered but was not received,

wait 24 hours (packages sometimes show delivered prematurely) then contact us. GlowMart is not responsible for packages stolen after confirmed delivery, but we work with carriers to investigate and may issue a one-time courtesy replacement. For address errors, contact us within 1 hour of placing your order to correct the address. After the order ships, we cannot redirect the package. If the carrier returns the package to us, we reship at no charge.

Packaging and Sustainability

GlowMart is committed to reducing packaging waste. All shipping boxes are made from 100 percent recycled cardboard. Packing materials use recycled paper instead of plastic bubble wrap. Tissue paper is FSC-certified. We offer a No Box option at checkout for single-item orders, which ships the product in its original packaging with a shipping label, reducing box waste by 40 percent. Gift packaging is available for \$5 per item and includes a reusable GlowMart gift bag and tissue paper. All GlowMart packaging is curbside recyclable.

Holiday Shipping Deadlines

To ensure delivery by December 25, order by the following deadlines: Standard shipping by December 14, Expedited shipping by December 19, Express shipping by December 22 (for most zip codes). Dates may vary for remote or rural addresses. We strongly recommend expedited or express shipping for holiday gifts to account for carrier delays during peak season. BOPIS orders can be placed through December 24 (subject to store hours and product availability). Gift cards and e-gift cards have no shipping deadline and are delivered digitally within minutes.
