

GlowMart

In-Store Services and Consultations

Store Formats

GlowMart operates three store formats to serve different customer needs. Flagship stores are our largest at 5,000-8,000 square feet, offering the complete product assortment of all 500+ products, every service including digital skin analysis and hair styling bar, event spaces, and staff including certified aestheticians and professional makeup artists. There are 5 Flagship locations nationwide. Standard stores are our most common format at 2,000-3,500 square feet, carrying approximately 70 percent of our catalog. Standard stores offer most services including consultations and makeovers but do not have digital skin analysis stations or hair styling bars. There are approximately 30 Standard stores. Express stores are compact 800-1,200 square foot locations in high-traffic areas such as airports and train stations, carrying about 40 percent of our catalog focused on bestsellers and travel sizes. There are approximately 15 Express locations.

Complimentary Consultations

Every GlowMart store offers free 15-minute beauty consultations with no appointment necessary. Our trained beauty advisors hold a minimum of 40 hours of product training and complete ongoing education quarterly. Consultation specialties include: Skincare Routine Assessment evaluating your current routine and recommending products for your skin type. Foundation and Shade Matching using digital color-matching technology at Flagship and Standard stores or expert eye matching at all stores. Hair Care Product Selection based on your hair type, texture, and concerns. Fragrance Discovery guiding you through scent families and introducing new fragrances. Wait times are typically under 10 minutes on weekdays and 15-20 minutes on weekends.

Full Makeover Service

Available at Flagship and Standard stores, our full makeover is a 45-minute session where a professional makeup artist creates a complete look. The session includes skin prep, primer, foundation, concealer, eye makeup, brows, blush, contour and highlight, lips, and setting. The service costs \$50, fully redeemable as credit toward product purchases made the same day, effectively making it free with a \$50 purchase. Appointments can be booked online, through the GlowMart app, or in-store. Walk-ins are accommodated based on availability. Platinum loyalty members receive one complimentary makeover per year with no purchase required. For bridal parties of 4 or more, we offer a 20 percent discount on all makeover sessions.

Skincare Analysis Service

Flagship stores feature digital skin analysis stations powered by AI imaging technology measuring hydration levels across 8 facial zones, oil production and sebum distribution, pore size and congestion, UV damage and sun spots not yet visible to the eye, fine lines and wrinkle depth, skin elasticity, and hyperpigmentation patterns. The 15-minute analysis generates a personalized Skin Report Card with tailored product recommendations. Free for Gold and Platinum members, \$15 for Bronze and Silver (redeemable toward \$30+ purchase). We recommend seasonal analysis (4 times per year) to adjust your routine. Follow-up

analyses track improvement over time.

Hair Styling Bar

Select Flagship locations (New York, Los Angeles, Chicago) offer a Hair Styling Bar for styling demonstrations and tool testing. Services include: Quick Style Demo (15 minutes, complimentary) demonstrating a specific tool on your hair. Full Styling Session (30 minutes, \$35 redeemable toward tool purchase). Flat Iron Masterclass (45 minutes, \$25, weekends) teaching techniques like flat iron curls and straightening. All services use our premium ceramic flat irons, tourmaline curling wands, ionic hair dryers, and professional hot rollers. Customers who purchase a tool during their visit receive a free heat protectant spray valued at \$18.

Events and Workshops

GlowMart hosts regular in-store events: Monthly New Product Launch Events with demonstrations and samples. Seasonal Trend Workshops (quarterly) with live demonstrations. Brand Master Classes (monthly) with brand representatives. Skincare Sundays (first Sunday monthly at Flagships) with dermatologist talks and mini facials. Beauty Basics (bi-monthly) for beginners. VIP Shopping Nights (quarterly, Platinum only) with 20 percent discount, refreshments, and gift bags. Events are free for loyalty members. Non-members pay \$10 converted to store credit. Check glowmart.com/events for the calendar.

Personal Shopper Program

For customers wanting a curated shopping experience, our Personal Shopper Program is available at Flagship and select Standard locations. Your dedicated personal shopper learns your preferences, skin type, budget, and lifestyle, then curates product selections. The initial 30-minute consultation is free for Gold and Platinum members, \$25 for other tiers (redeemable toward purchase). Follow-up visits are complimentary. Personal shoppers can pre-pull products for express pickup, send alerts for new items matching your profile, and build seasonal routines. Corporate gifting assistance is available with custom packaging options starting at 25-unit minimums.

Accessibility and Inclusivity

All stores feature wheelchair-accessible aisles and counters at accessible heights. Flagship and Standard stores have sensory-friendly shopping hours on the first Tuesday of each month with reduced lighting and no music. Our associates receive ongoing inclusivity training covering shade matching across all skin tones, diverse hair textures, gender-neutral service language, and accommodations for customers with visual or motor impairments. We offer large print product labels on request and maintain Braille signage. Our website meets WCAG 2.1 AA accessibility standards.
